Dear André,

On behalf of CancerCare and all the clients we serve, we thank you for complimentary delivery service that you valued at \$500 to support CancerCare and our services at Girls' Night Out.

Last year CancerCare served almost 3,000 Connecticut residents and more than 150,000 families and individuals nationwide. It is the oldest and largest non-profit dedicated to providing free professional support services and financial services to anyone affected by cancer. The organization is solely funded by private organizations, foundations and individuals.

For your information, federal law limits the deductible portion of this contribution to the excess amount paid over the value of any goods and services provided. No goods or services were provided to you therefore, your donation is fully tax deductible.

On behalf of everyone at CancerCare, the Board, staff and the thousands of people we help each year, thank you again for your support of our work.

Sincerely,

Sandra K. Tripodi LSCW, ACSW
Regional Director
