Dear Andre:

On behalf of the Connecticut Humane Society, I would like to thank you for your generous gift of your volunteer time, truck, fuel and assistance on Saturday, April 27, 2013 in Haddam, Connecticut. Our organization is entirely private, not for profit and independent, and does not receive federal, state or municipal funding. With support from concerned friends like you, we can continue to give thousands of homeless animals a second chance each and every year.

From our inception in 1881, we remain committed to providing shelter services for companion animals and veterinary programs for people in financial need. These programs and services reach people throughout the state of Connecticut, enriching the lives of their families.

On behalf of our Board, staff and volunteers, please accept my grateful appreciation for your generous contribution.

Sincerely,

Priscilla Clark
